

SOLYX® Glass Finishes

SX-1305 Bronze Frost

SOLYX® SX-1305
Bronze Frost

Product Details

SOLYX® SX-1305 Bronze Frost film is recommended for application to interior and exterior facing glass. Manufactured from durable polymeric PVC with a decorative embossed surface, perfect for privacy, decorative or architectural applications. Manufactured with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

Product Description

SOLYX® SX-1305 Bronze Frost is a clear translucent, high grade embossed vinyl film that simulates sand blasted glass. Ideal for obscuring direct visibility while allowing excellent light transmission.
