Silicone

#### Product Details

**SOLYX® SXEG-4856 Stone Wall Window Film** a beautiful stone wall brick pattern film with adhesive backing. Now you can achieve that glass wall look at the fraction of the price of traditional stained glass without compromising quality!

Perfect for **Semi-Privacy, Decorative or Architectural** applications.

Films are recommended for application to interior and exterior glass (inside surface). Made of durable PET with a decorative surface and protective over laminates. Total nominal thickness is 4 mil. Supplied with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

#### Fire Rating

The product was tested according to ASTM E84 and is classified as Class A, as defined in NFPA 101, Life Safety Code®.

#### Installation and Warranty

##### Installation

Installation should be in accordance with manufacturer's installation instructions.

##### Warranty

This **SOLYX®** product will be free from defects in material and manufacture for a period of five (5) years from the date of installation.

See Warranty information for specific details.

#### Product Distribution and Contact Information

##### Distribution

**SOLYX® Decorative Films** are available through qualified Installing Dealers, Distributors or from Decorative Films, LLC.

Samples submitted upon request.
