

## SOLYX® Glass Finishes SXJ-0403 Matrix White Matte

### Product Details

SOLYX® SXJ-0403 Matrix White Matte is a vision obscuring white rice paper film with a subtle random patchy strand design and a matte background. Recommended for application to interior, single or double pane, and exterior facing glass. This film can also be installed on exterior applications. Made of durable clear Polyester. This film has a total nominal thickness of 2 mil (50 micron). Perfect for semi-privacy, decorative or architectural applications. Supplied with a silicone liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.
